SOME PEOPLE SEEM TO THINK

They can get the nicest cuts of meat here of any place in town. We are too modest to affirm or deny the truth of this opinion, but we try to give our customers the very best that is possible. A great deal depends upon the way meat is cut and trimmed. The flavor is affected if due attention is not given to a clean separation of parts of a carcass suited to its different uses.

Buy Hair at Auction?

At any rate, you seem to be getting rid of it on auction-sale principles: "going, going, g-o-n-e!" Stop the auction with Ayer's Hair Vigor. It certainly checks falling hair; no mistake about this. It acts as a regular medicine; makes the scalp healthy. Then you must have healthy hair, for it's nature's way.

A Twenty Year Sentence.

"I have just completed a twenty year health sentence, imposed by Bucklen's Arnica Salve, which cured me of bleeding piles just twenty years ago," writes O. S. Woollever, of LeRaysville, N. Y. DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble.

When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are Home of Swamp-Root, sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

MIGHT HAVE PUZZLED SOLOMON.

Decision Over Which Country Squire Is Still Deliberating.

"That is a complicated question," said a statesman of a certain practical proposal. "It reminds me of a question that was once put to old Squire Briggs. 'The squire was noted for his long, Solomon-like head, and he was frequently asked to settle disputes.

"Squire," said a farmer to him one day at the tavern, 'there's a difficult point I want you to settle, and whatever you say I'll abide by.'

"Well, fire away," said the squire, good humoredly, 'and I'll see what I can do for you.'

"It's like this," said the man. 'Blankson wants to trade farms with me, but we can't agree on terms. His land is better than mine, but I've got twice as many cranberry vines; his corn is all stacked and mine ain't, but I've got screens to four windows and two doors to the shack. There's less stones in his meadow land than there is in mine, but there's more bog.'

"The man paused and took breath. Then he went on:

"Now, I won't tell you which is which, but one of us thinks Blankson's pointer dog ought to be thrown in, and the other one thinks that my heifer would just about even things up. Now what do you say is fair?"

"At last accounts the squire was still deliberating.
